Crime Module

1. New fields for Reporting Magistrates' Court Work

Two new fields have been introduced for Crime Monthly submissions made after November 2011:

- Representation Order Date
- Standard Fee Category

> Representation Order Date

The Representation Order Date will be taken from the 'MC LAO Date' entered in 'Client Details'. It is a mandatory field for the Crime SPOCC submission from the October 2011 submission onward. The entry of the 'MC LAO Date' is essential for iLaw to apply the correct Magistrates' Court Fees and Fee Limits. You can check if the Representation Order date has been entered in the 'CDS6 > Standard Fee' billing screen or by using the 'Proceedings Limits' menu control in 'Time Records'.

> Standard Fee Category

The Standard Fee Category field will be taken from the Magistrates' Court Standard Fee selection made in the billing screen or if you have used the 'Proceedings Limits' menu control in 'Time Records'. It is a mandatory field for the Crime SPOCC submission from the October 2011 submission onward.

Magistrates' Court Standard Fee Category	Value shown in the bulkload spreadsheet
Category 1 : Either Way	1EW
Category 1 : Summary Only	1SO
Category 2	2
Category 3	3

Please Note. If you have set your SPOCC monthly adjust to -1 the new fields will show when your reporting month is November 2011 or after.

2. Removal of London Magistrates' Court Fees

Matters with a Representation Order date on or after 3 October 2011 will not attract the London Magistrates' Court Fees and will be paid subject to whether your office or the Court where the matter was heard is in a rural or urban area.

3. Magistrates' Court Category 1 Fee changes

For all cases with a Representation Order date on or after 3 October 2011, the Magistrates' Court Category 1 Standard fee payable will be subject to the matter being either Summary Only or Either Way. The previous Standard Fee fees and fee limits will be classified as Category 1 Summary Only and new fees and fee limits have been introduced for the classification of Category 1 Either Way.

The selection of the Category 1 Fees and Fee limits can be made in the 'Standard Fee > CDS6' billing screen or in 'Time Records' using the 'Proceedings Limits' menu control.

3. New Fixed Fee for "Elected Case Not Proceeded"

A new fixed fee is introduced for cases where the client elects Crown Court trial and the case did not proceed to trial. The fee description on the AF1 v3 is "Elected Case Not Proceeded" with claim code 'ENP'. It has an uplift claim code ENU where there are additional defendants. The uplift is 20% of the basic fee for each additional defendant.

Section 1 of the AGFS Module has a new dropdown relating to whether the new fee is applicable. This informs the revised Section 1 on page 2 of the AF1 v3.
